

Who wins at JEOPARDY! ?

An investigation into the winners and losers of America's favorite gameshow

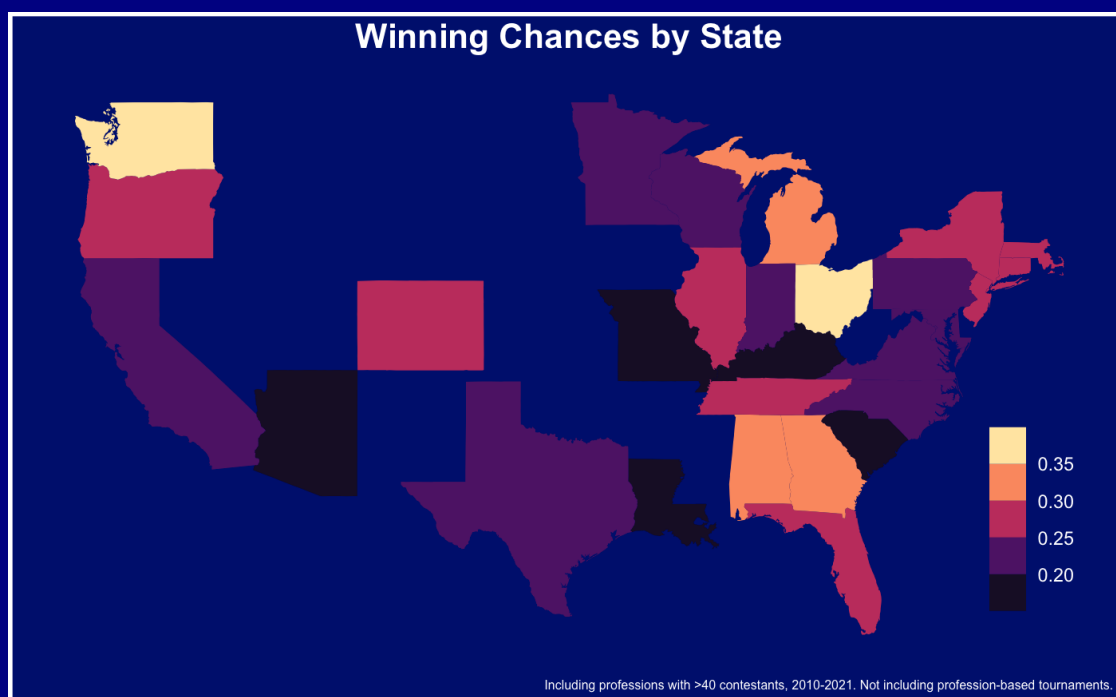

Consultants and Librarians Beware

Jeopardy Scientists, Journalists and Software Developers have seen the most success.

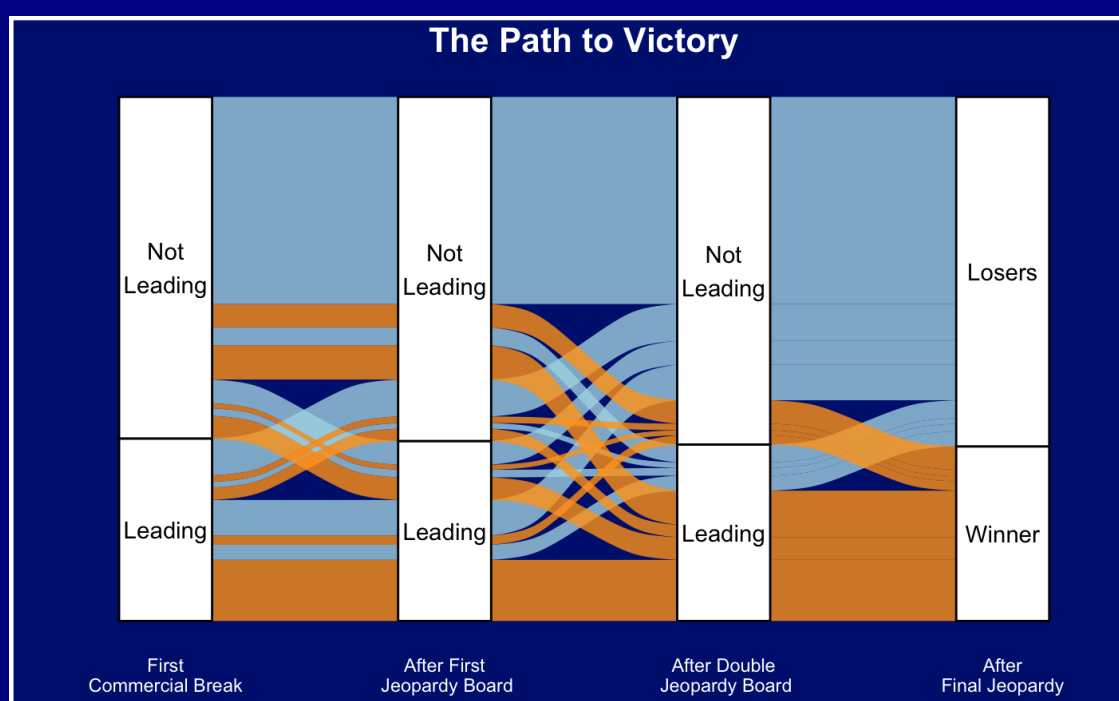

A Geographic Excellence

Washington and Ohio contestants have a history of greatness behind them.

A Long Path

Jeopardy winners are usually settled into the lead before Final Jeopardy.

Fortune favors the bold

Jeopardy winners often make more mistakes per correct answer than those who do not win. An aggressive playing style may be rewarding.
